

U.S. SQUASH Misconduct Reporting and Response Procedures

Reporting and responding to violations of a U.S. SQUASH Policy, Guideline, Code of Conduct or Rule.

If a Member observes a violation of a U.S. SQUASH Policy, Guideline, Code of Conduct or Rule during a U.S. SQUASH sanctioned event, he or she is encouraged to report it to an Event Director (if applicable) or U.S. SQUASH staff member if available. Event Directors will then take appropriate action at that time, and in addition may in their discretion complete and file an Incident Report with U.S. SQUASH.

Should an Incident Report be filed with U.S. SQUASH, the CEO and staff may impose the appropriate disciplinary action and in such a case communicate with all parties involved in the incident. In certain circumstances, the applicable portions of the U.S. SQUASH Decision Review, Dispute Resolution, and Rule Clarification Procedures and Board of Review Disciplinary and Grievance Procedures will be utilized.
