US SQUASH Junior Women’s
Team (USJWT) Selection Procedures -
2020 Women’s World Junior Individual Championships

[PLEASE NOTE THAT THE WORLD SQUASH FEDERATION ARE CURRENTLY CONSIDERING CHANGES TO THE STRUCTURE OF THE WORLD JUNIOR CHAMPIONSHIPS. IN THE INSTANCE THAT THESE CHANGES ARE ENFORCED, US SQUASH WILL MAKE ANY NECESSARY ADJUSTMENTS TO THE SELECTION CRITERIA. PLEASE SEE SECTION 7 FOR MORE DETAILS.]

The World Squash Federation (WSF) grants each squash National Governing Body three (3) playing positions into the Women’s World Junior Individual Championships. Depending on the overall number of entries the WSF receives for the World Championships, up to three (3) additional playing positions may be made available to countries. The three (3) playing positions and any additional playing position(s) that may become available to US Squash will be offered based on the following criteria.

1. Eligibility Criteria

In order for players to be considered for selection they must:

- Maintain full United States citizenship.
- Be age-eligible for the competition in question.
- Maintain US Squash membership from the start of the candidate process through the end of the competition.
- Comply with all World Squash Federation eligibility requirements regarding international championships.
- Have no documented serious on or off-court conduct violations of the US Squash Code of Conduct.
- Sign and comply with all US Squash U.S. Junior Team policies and contracts.

2 Selection Process

Players wishing to participate in the USJMT for the 2019 World Junior Individual Championships will be selected based on the following criteria:
Women’s World Junior Individual Selection Criteria 2020

• Three (3) players will represent the U.S. on the Junior Women’s Team in 2020.
  - Additional positions are explained below.
• Points will be awarded for placing position in the following Selection Events: five (5) JCT events and the U.S. Junior Championships (Closed).
  - Points earned in the U.S. Junior Closed will count 1.5 times the point value of the JCT events. Points are only earned by players in the GU19 division.
• After the conclusion of the U.S. Junior Championships (Closed), a player's best four (4) out of six (6) event results will be calculated to determine the team. The top three age-eligible players will be selected to compete in the World Junior Individual Championships based on the criteria outlined.
• National team’s discretionary positions in selection events will only be considered for those playing the GU19 division and will be decided upon by the National Team Selection Committee (NTSC). See Section 9 for more details.

Please see Appendix 1 for tiebreak information in the event that two or more players have tied point averages.

2. Additional Positions

If the WSF grants US Squash additional playing positions, players will be invited based on the following criteria:

• WSF may approve up to three (3) additional positions for the Individual Event.
• Any players granted additional playing positions must meet the Eligibility Criteria in Section 1 and be 18 years of age or younger on July 31, 2021.
• The positions are first opened to the players finishing in the Top 20 in the GU19 Selection Standings, in order of final standings. If all additional positions are not filled at this point then the top ranked players in the GU17 Division will be invited in ranking order up to the #10 position. Rankings to determine qualification will be based on the first rankings run after the 2020 U.S. Junior Championship (Closed).

The additional positions are self-paid by the player(s) that receives the position. This will be itemized by US Squash and then invoiced after the event.

Women’s World Junior Individual Selection Criteria 2020

4. Inability to Participate in a Selection Event

**Event Cancellation:**
If an event is cancelled and a player will not have the necessary number of results to compute his average then that player will be awarded the point equivalent of his most recent selection event result.

**Injury or Illness:**
If a player will not have the necessary results to compute his average as a result of injury then that player may be awarded a to be determined point equivalent at the National Team Committee’s discretion. This will be based upon, but not limited to, previous points values earned.

**Other Circumstances:**
The National Teams Committee shall have the discretion to evaluate other circumstances, other than injury or illness, which preclude an athlete from participating in a scheduled selection event. Supporting evidence of the circumstance(s) may be required.

>Note: An athlete candidate citing extenuating or other circumstances must also advise US Squash as early as possible in writing or via email to the National Coach at nationalteams@ussquash.com

5. Junior National Squads

There will be a maximum of three (3) Junior National Squads in preparation for the 2020 World Junior Championships. At the first Junior National Squad, the team will be setup with a training log that must be complete on a weekly basis. Attendance at the Junior National Squads and the completion of the training logs is mandatory to be a member of Team USA. There will be a three-strike system in place this year, should an athlete have three strikes against their name then they risk losing their place on the team (see Replacement & Removal of Athletes in #6 below). Examples of strikes would be:

i) Unexcused absence from a Junior National Squad.
ii) Failure to complete training log in a timely manner.
iii) Violation of team rules.

6. Replacement & Removal of Athletes:
Following final selection of the Team members, replacements will only be made if:

- An athlete voluntarily withdraws due to injury or illness, certified by a physician. If an athlete refuses verification of his illness or injury by a physician, the injury will be assumed to be disabling and the player may be removed.
- A qualifying Team member voluntarily submits his resignation from competition in writing to the National Coach at nationalteams@ussquash.com.

Removal of Team members:

- Any documented violations of the US Squash’s Code of Conduct are potential grounds for removal from the Team.

7. International Disclaimer

These procedures are based on World Squash Federation rules and regulations as presently known and understood. Any change in the selection procedures caused by a change in World Squash Federation rules and regulations will be distributed to the affected athletes immediately. The selection criteria are based on the latest information available to the US Squash. However, the selection process is always subject to unforeseen, intervening circumstances, and realistically cannot account for every possible contingency.

8. Compliance with US Squash, USOC and USADA Rules and Regulations

Players must be willing to submit Athlete Location Forms to the U.S. Anti-Doping Agency and comply with all US Squash, USOC and USADA regulations and requirements to remain eligible. Failure to comply will be met with disciplinary measures to be enforced by US Squash up to and including removal from the eligible player pool.
